

I am writing to oppose any rules that would change the current "do not call" law in Wisconsin. I knew what I was signing up for when I signed up for the list, and I'm pleased with the results. I don't want to receive telephone calls from companies whose services I have cancelled. I do not want to receive calls from the affiliates of companies from which I have purchased a product. I don't want to receive telephone calls from anyone hawking a product or service unless I have asked for such a call. That is what Wisconsin law provides for me. Don't do anything to undermine that law!

Sincerely,
Cynthia Poe
